

Commitment and Discipline Policy

Effective 1st April 2016

1. Purpose

The policy seeks to promote and strengthen the good reputation of Netball, and the Berwick Netball Club (hereinafter referred to as BNC) by establishing standards of performance and behaviour for Berwick Netball Club Players. The primary focus of the policy is to educate players on the importance of maintaining appropriate standards, and on the adverse effect such conduct may have on the standing and reputation of the game, the BNC, and the member himself/herself.

Where a Player's conduct attracts some form of discipline under this policy, it is the intention that Club Management and Leadership Group representatives will impose a range of sanctions. It is important to note that under this policy, conduct of a serious nature may lead to a player being delisted by the Club, or summarily dismissed.
